

OTHER COMPETITION AWARDS

“PHOTOGRAPHER OF THE YEAR” Awards *(Open to all members - prints & projected images)*

Separate awards for prints and projected images will be made to the worker(s) whose entries gain the highest number of points, as converted to a common scale, in the four Members’ Night Competitions, and the four highest scoring entries of the Annual Exhibitions.

A print may only score twice in the same season for the prints award and similarly a projected image may only score twice for the projected images award. Where in either case, but for the last sentence, a projected image or print could have counted more than twice, then, the two occasions it will be counted, will be the first two taken in chronological order. In such a case the next highest marked photograph in that competition will count.

Where a member enters more than one photograph in a particular print or projected image competition only the photograph with the highest mark (excluding one not counted by reason of the last paragraph) will count for this trophy.

In the event of a tie for either award the lowest marked photograph of each member tying will be eliminated and so on until a single winner can be determined.

“**The Print Trophy**” will be given for the prints award and the “**Full Measure Trophy**” for the projected images award.

THE OAK PLAQUES *(Open to all members)*

Projected Images:- This will be awarded to the member whose projected images gain the highest number of points in the Members' Nights Competitions.

Prints:- This will be awarded to the member whose prints gain the highest number of points in the Members' Nights Competitions.

In the event of a tie in either competition the lowest marked projected image, or print, of each member tying will be eliminated and so on until a single winner can be determined.

“MILLENNIUM TROPHY” *(Open to all members)*

Awarded annually to the best panel of 3 photographs submitted into an annual competition(s) that depicts a theme of the author’s choice. If the competition encompasses different picture types then the trophy shall be awarded to the best entry overall by comparing only the best entries from each picture type. This shall be adjudicated by a vote of the members present when the judge presents the other results. The judge in this competition shall be an external judge.

This trophy will be awarded on the last of the Members’ Night Competitions held in any one season.

DEAKIN TROPHY *(Open to Club Class Members)*

Awarded to the Club Class Member who has achieved the best overall results (prints and/or projected images) in the Members’ Nights Competitions.

McCOMBIE-METCALFE CUP*(prints) & ROEBUCK TROPHY**(projected images) - (Summer Outings)*

Separate awards (as above) for prints and projected images will be made to the member(s) who gain(s) the highest number of points for a set of three photographs taken on not less than two members’ outings of the previous summer..

LITERARY SHOOT AWARDS *(prints & projected images)*

Awarded in both prints and projected images to the photographs, which, in an annual competition, are judged the best photographic interpretation of a set literary quote.
