

## **Summer Outings for 2009**

The club organises practical photographic outings during the summer months, whilst the club is closed for normal meetings.

These are informal events with no formal gathering. Members make their own way to the locations. However, hopefully we will meet up and perhaps enjoy a while in one of the local hostelrys or cafes.

<b>9th May</b>	<b>Washington Wild Life Centre</b> (Saturday - All Day)	
<b>1st June</b>	<b>West Burton</b> (Monday – Evening)	ie:- any time after 6pm.
<b>4th July</b>	<b>Helmsley &amp; Duncombe Park</b> (Saturday - Half Day)	ie:- any time after 12 noon.
<b>1st August</b>	<b>Boroughbridge &amp; Aldborough</b> (Saturday - Half Day)	ie:- any time after 12 noon.

Remember that the club awards two trophies, The McCombie-Metcalf Cup (for prints) and the Roebuck Trophy (for projected images) for photographs taken on the summer outings.

You are required to submit a set of 3 prints and/or 3 projected images which have been taken on at least two of the Summer Outings.

The 'handing in' date for these competitions is our second meeting of the new season (14<sup>th</sup> September) and the competition will take place on Monday 5<sup>th</sup> October 2009.
